Sir Ken Robinson Changing Education Paradigms

Link is: [HERE](#)

How Do We Change Our Current Paradigms?

- Provide More Options
 - Experiential Learning
 - New Programs
 - PBL
 - New Tech
 - W.A.Y.
 - High Tech High
 - More Online Opportunities = student centered
 - Build Relationships
 - Personalize Learning

Title II Part D Grant

- Enhancing Education Through Technology (EETT) Grant
- “Michigan Learns Online”
- Products
 - Michigan Learns Online Portal
 - Courses
 - Training
- Genesee ISD Fiscal Agent
- Partnering with REMC Association

MI Learns Online Grant

3rd and Final Year of the Grant

- Year 1 Free Algebra Courses and Teacher Training for over 500 teachers
- Year 2 MORE Portal and Continued Teacher Training
- Year 3 Digital Content for Distribution and Teacher Training
- Content Available on Moodle and Blackboard

To Access Courses:

MichiganLearns
Online

<http://www.milearnsonline.org>

Arrangement Cont.

- The courses can be modified if you wish, but you must credit Florida Virtual High School when you change them.
- Can be used as a blended course, or stand alone.
- Highly recommended that you have teachers trained in teaching in the online environment before you use the courses.

Ideas for Implementation

- Blended Course
 - Students come three days/week off two
- Seat Time Waiver – GISD
 - Courses are 100% Virtual
- Classroom Content – No Textbook
- Supplemental Content

Additional Free Resources

- [MORE Portal](#)
- [Hippocampus](#)
- [MIT Online courses](#)
- [Kahn Academy](#)
- [OER Commons](#)
- [SAS Curriculum Pathways](#)
